### Specialties from Armenia

---

Dear guests,  
as owner of the Gasthaus & Hotel "Zur Henne" and  
honorary consul of the Republic of Armenia in Saxony-Anhalt, I would  
like to introduce you to wines and brandies from Armenia.  
Characterized by the continental climate, with hot dry summers and cold  
dry winters, excellent wines are produced. Armenia is also the cradle  
of Christianity on our earth, so Armenia's landmark, Mount Ararat, is  
mentioned in the Bible. Today it is located on the territory of Turkey.
